New school

- Looking to include na art Project from the Community
- Questioned about issues regarding the new school construction – there were issues during the beggining of the constructions that were resolved, but no current problems
- Next Thursday is the next committee meeting regarding the construction
- No concerns regarding school impacts
- The new school is expected to open on September 2028

SAC receives an allotment of \$5,000 plus \$1 per student. Currently the school has 868 students enrolled.

This money could be allocated for learning, health and wellness, or SAC operating expenses.

The deadline to decide where the money will be spend is March.

Chrome Books was one of the suggestions for spending the money, however supplies arrived Yesterday with chrome books and chrome book cards.

Wendy made a suggestion to invest in the landscape between the outdoor classroom and the road.

Request the teachers to give suggestions for the funding.
